THE JOURNEY OF AL TAQWA

BRINGING PROJECTS TO LIFE:

1. FIRST STEPS

We work in partnership with our clients, breathing life into their distinctive visions and designs.

Throughout each project, our clients receive the attention of our dedicated and experienced design manager, who assists throughout the design process and who is always on hand to suggest materials, manufacture, and design methods.

2. VISUALIZING DESIGN

Using Auto-CAD and Sketch up software technology, we transfer our client's designs straight to one of our CNC machines.

3. IT'S SAFE HANDS

We work in partnership with our clients, breathing life into their distinctive visions and designs.

Throughout each project, our clients receive the attention of our dedicated and experienced design manager, who assists throughout the design process and who is always on hand to suggest materials, manufacture, and design methods.

4. BRINGING DESIGN TO LIFE

Using Auto-CAD and Sketch up software technology, we transfer our client's designs straight to one of our CNC machines.

FOCUS PROJECTS

From iconic buildings to historical residences, our spectacular custom joinery fit-outs speak for themselves.
